8 Things To Know about the Las Vegas Nationals

1 Despite the fact that it may be 110 degrees outside, you will never need to feel the heat once you check in. You can stay in the AC from your room all the way to the arena and you will even be able to watch the racing from the comfort of your room, on your TV's South Point channel.

2 NO BIKES are allowed inside the hotel and casino. When you arrive at the South Point, bikes should be unloaded by the arena entrance. You can also check-in right there at the Arena entrance. We repeat: **NO BIKES are allowed on the floor of the casino or in the hotel rooms and no bikes should be brought through the main entrance of the Hotel.** Please see the Map below:

3 All participants are required to complete the South Point waiver. You will not be allowed to participate unless this form is completed. Do this on line during pre-registration or when signing up on-site.

4 Stalls are available for rental to store your bikes and gear for \$75. (Bring your own lock) You can reserve & purchase these online in advance - or pay at the race with cash or credit card.

5 **No Coolers in the Arena!** Coolers and outside food and beverage will not be allowed in the arena **or stall area**. Please keep in mind that as with any arena there are limitations on the food and the drinks that can be brought in.

6 This property has it all – Casino, Hotel, Game Center, Movie Theater, amazing Swimming Pool and plenty of great restaurants. Come prepared to have an amazing time!

7 Please note the special schedule. We have added extra practice time for you on Thursday, and there is no practice on Saturday. Get there early so you get plenty of practice laps.

8 Reminder: Please read and abide by USA BMX's "Code of Conduct" (as per the Rule-book) to ensure that we all have a great weekend of racing and can continue to enjoy great events at the South Point.

On behalf of the USA BMX and the South Point Hotel & Casino, we want to welcome you to the Las Vegas Nationals. It is important to all of us that you enjoy your time here, and along with that, we kindly ask that you treat our hosts with respect so that all parties have a positive experience.

For these reasons, we ask that riders, parents, chaperones, and guests follow the following rules during your stay.

- No running in the hallways will be allowed.
- Destruction of hotel property in any way will not be tolerated and the responsible party will be required to pay for the repair.
- Vandalizing of other hotel guest's property will not be tolerated.
- Bicycles are not allowed in the hotel rooms at the South Point or on the upper concourse at the event center. A lock-up area will be provided for your use. You are responsible to secure your own property at all times.

Official Rulebook XIV. Rules of Conduct

6. A rider may be suspended up to one year for damaging, stealing or destroying public or private property. (Parents, it is your responsibility to control a minor's actions.)

All of us look forward to returning to the South Point and Las Vegas, and want to make sure we provide the respect these businesses deserve, and let all parties know how proud we all are to be part of USA BMX and bringing BMX to Las Vegas.

Sincerely,

Chris Luna
Director of National Race Operations
USA BMX, The American Bicycle Association
